

BIRD-FRIENDLY GARDENING CHECKLIST

The more of these practices we follow, the more bird-friendly our gardens will be.

- Reduce the percentage of lawn**
- Remove exotic plants**
- Plant a diversity of native species**
- Conserve/Collect Water**
- Reduce runoff**
- Protect water quality**
- Reduce pesticide use**
- Reduce chemical fertilizer use**
- Supplement natural bird food with feeders**
- Provide cover & safe nesting places**
- Provide clean water with safe access**
- Keep cats indoors or provide protection**
- Reduce bird–window collisions**
- Support bird conservation**
