

Rainbow Gardens 2026 Rose List

Roses are sold without a warranty until March 15th.

Please take care to handle the rootball of roses carefully as they are freshly potted in January and will not have had time to develop a strong root system until May.

You can download our rose planting guide at our website,
www.rainbowgardens.biz

Just search “Planting Roses in San Antonio.”

Please be mindful that this list contains the names of roses our locations have received for spring. Inventory changes rapidly in springtime, so call ahead for updated availability to ensure the rose you are interested in is still in stock.

We will receive additional roses throughout the year, but this list represents the majority of what we will carry.

RAINBOW GARDENS ROSE LIST 2026 (Inventory may change daily. Call for updated stock availability.)	COLOR/HUE	BANDERA Stock Received	THOUSAND OAKS Stock Received
